

## LETTERS OF REFERENCE

To whom it may concern:

Dana-Marie is an exceptional musician!

Music has been a part of Dana-Marie's life for many years. I have been fortunate enough to have known her for several of those years, from a time when she started to regularly perform her music publicly. With extraordinary talent, and a high degree of 'intuitive' intelligence, Dana-Marie continually pushes her music compositions, arrangements, and performances into a class of excellence. Audiences are spell-bound by Dana-Marie's voice, which she beautifully sends soaring through an enormous range of sound. She has a wide-reaching repertoire, with the ability to adjust for different audiences and venues, and deliver a professional music experience.

Any festival should strongly benefit from Dana-Marie's captivating performances. Dana-Marie is an emerging star; greater fame is inevitable.

To whom this may concern:

I have known Dana-Marie since the summer of 2004.

Since Dana-Marie started playing at Gelato Carina, she has won over the hearts of anyone who has listened to her. Her canny way of making each song she sings her own (and some of her best music is her own!) has also made her a versatile entertainer.

No venue is too small, or too large! Dana-Marie is at home on the stage!

## WORDS FROM FANS

"I must say, I am so happy to have listened to you. I am 43 and have just been through the most difficult portion of my journey through life, but because of this, I am awake and alive and happy. Your music hit me on the same energy level as I am on (is the best way I can describe what I felt). Thank you. Please pursue your dream - your music will speak to millions of people if you let it. I feel honored to have met you."

~ Jack - Nanaimo, BC

"While on vacation, I had the extreme pleasure of hearing Dana-Marie perform a huge variety of songs, some of which were high spirited, some thoughtful, some sad but all beautiful. Her renditions of 'Leaving on a Jet Plane' and Leonard Cohen's 'Hallelujah' among many others, left me emotionally charged and wanting more.

Dana-Marie is beautiful, vivacious and charming with an amazing ability to perform upbeat songs and then thoughtful, soulful ones without losing the rapport she has made with the listeners.

I don't know if I will ever see her again in person because I live so far away, but I do know I'll always remember her."

~ Arthur - Toronto, Ont.

"Really loved your music - terrific song writing. Just put you on my iPod. Great. Good luck. I will enjoy watching you go far."

~ Maggie - Creston, BC

## WORDS FROM CLIENTS / CONCERT DIRECTORS

"The first time I heard Dana-Marie sing I was immediately captivated. It took another two years for me to get the chance to present Dana-Marie at Women and Song 2007. According to the audience, she stole the show while sharing the stage with some music industry notables. Smart audience!"

~ Brian Marchant, Producer and Director of Women & Song, Squamish, BC

"Dana-Marie entertained our group during our AGM meeting in Spring 2008. Her gentle spirit, beautiful voice and guitar music helped create the ambiance we were looking for. We readily recommend her for both her professionalism and talent."
